It is with pride my Ruffled and Lacinated Types, the only distinct types ever produced in America, together with many hundreds of improved large flowering, Primulinus and Miniatures have created such interest. It is with sincere appreciation and grateful thanks to all who have contributed to the success that has come my way.

A. E. KUNDERD.

We regret that due to present conditions in the paper industry it was impossible to obtain paper suitable for illustrating in color the many new and fine Gladiolus we offer on our Anniversary Year. We are however doing the very best we can under the circumstances and trust you will bear with us.

Even in view of the present labor shortage we have harvested our entire crop of bulbs, quality surpassing previous years. We do hope to have sufficient labor to give our many customers service, quality and prompt delivery in time for planting.

WE DO APPRECIATE YOUR PAST BUSINESS and trust the Garden you plan for this coming season will have KUNDERD GLADIOLI once again represented in your plantings.

This is Our 65th Anniversary Year in the flower world, quite an achievement.
